IF something like this rolled out on a more global scale, it could give our used games collection some value, but could it be damaging to the games industry? We talk about this big decision and what it might mean on tonight's show. Then we get into our gaming weeks during a big gaming week with big games like Link's Awakening, Untitled Goose Game, and Sayonara Wild Hearts all releasing. Our thoughts on these games, the weeks news and MORE on this weeks show.
