Due to legal issues I can't make this song available for download.

Props to DarkSakura (and to Misty :3) for inspiring this particular pick!

Ah Silent Hill 2... I confess I never really got a chance to get into the series. I *have* heard some of the music, though. It's particularly spooky, to be sure. But then there's a song like this, that can apparently only be accessed by special circumstances

Although I... don't quite know what to make of this song. (or for that matter, WTF was Akira Yamaoka *THINKING?!)* You'll just have to listen to it for yourselves. :P
