

I Love That Song - So Sleepy..

Written by Deekman

Monday, 11 May 2009 12:28 -

It's time for a lazy monday.

Today's track is "Dreams Dreams" from Nights

{audio}<http://www.angry-gamers.com/music/dreamsdreams.mp3{/audio}>

Please note due to copyright issues I can not make this song available for you to download directly.

I'm crazy tired today for some reason and can barely keep my eyes open. Nights was the perfect game of free flight and exploration accompanying great music that a tired gamer could relax to.
