Sky High

Lucyfer

Dance Dance Revolution 4th MIX PLUS

With all the talk of Konami's latest DDR entry seemingly being a 'throwback' to the classic days of DDR, I thought I'd go with a pick I'd always wanted to see in a domestic release -- Sky High! My apologies to the DJ MIKO fans tuning in for this one, I just happened to prefer the one by Lucyfer. It's a very fast, energetic track (which I believe also has its own parapara routine! -- It [does](#) , shoutout to Misty for finding it!)

And as far as I know, hasn't been seen since 4th MIX+/5th MIX, so it would be good to play this one in 60FPS.
