---

Have some more caviar.

**Today's track is "Sloprano" from Conkers Bad Fur Day** {audio}<http://www.angry-gamers.com/music/sloprano.mp3{/audio}>

Please note due to copyright issues I can not make this song available for you to download directly.

Here at OLR.com we're not above poop jokes and this is the biggest poop joke in a game ever. Coming from the Rareware made N64 classic Conker's Bad Fur Day this inspired song is one of the greatest boss introductions ever.
