Tatsunoko vs. Capcom is the most recent addition to Capcom's "Vs." brawler series. Now Capcom is facing a new rival which is an Anime company called Tatsunoko, possibly one of the most recognized and possibly the biggest in the industry. This game was only available to Japanese Wii owners, but it was recently announced for American consoles too, so now more can enjoy this wonderful game and its soundtrack too!

Across the Border is the intro theme for the game. It's basically a J-POP song but it really goes pretty well with the animation secuencia and it's a really energetic song, it gets you hyped to play the game! I know I want to!
