(I really don't wanna anger Dracula's lawyers, so I can't offer this song for download.)

Hopefully I didn't scare you all off after 3rd MIX Korean week! Anyway I thought I'd do this song for Halloween! You get to hear this one after you complete the game, Castlevania: Symphony of the Night (or in Japan, Akumajo Dracula X2: Nocturne in the Moonlight)!

Unless of course, you beat the game on XBLA, this song is *not* in that version! (possibly licensing issues similar to what happened with Dynamite Rave a couple weeks ago, or the news that the original actor in Silent Hill wouldn't reprise his role in the HD remake coming to PS3/360.)

But it's a great track, regardless! So I hope you enjoy it, and have a happy and safe Halloween!
