So continuing with the week's interviews, I check in with Bresslol to see what other kinds of games besides DDR he's been playing! (Potentially explicit content below!)

1. So tell us about yourself. What are you up to these days?

I am still with Sakura-Con, and I still work testing, just not video games anymore. I live in Portland, OR now. I re-started my retro collection and am looking to do some sort of media thing with it (videos, podcast, rubbing them all over Rob, etc.)

2. So what kinda games do you play?

Still anything I enjoy - Right now I am playing Mass Effect 1-3 with FemShep.

3. Favorite videogame of all time?

Super Metroid still, though Mass Effect 2 is a close second.

4. Favorite composer (if any)

Jack Wall.

5. Favorite gaming accomplishment?

I can beat SMB2 in under 30 minutes all the way through.

6. What was your first videogame?

Hogan's Alley VS.

7. Any memories from OLR that you'd like to share?

All of my crappy OLRev songs

And basically any time I was drunk and had a mic in front of me (Your mom goes to Duck Island)

8. Final thoughts?

Don't let Rob fool you, he has a three-headed penis.

.... umm yeah no comment on that last one guy. ANYways, I'm exhausting the last of the interviews I've recieved tomorrow as I catch up with KevinDDR!
