If you've seen the news about the devastation left in the wake of Hurricane Sandy and wanted to help, here's some ways you can! Hat tip to DJ Ranma S for posting this over on his blog at [Anime Jam Sessions](#) and I decided to crosspost it on our site:

Looking for fuel and D-cell batteries to keep the filters running until power is restored.

Also you can text REDCROSS to 90999 to Give \$10 to American Red Cross Disaster Relief.

Thank you.
