(For legal reasons I can't make this song available for download.)

I'm doing another one this week, as a request by @taitaisanchez on twitter! You want more Osamu Kubota, you got it! Good thing I really liked this classic from back in the day. It's particularly epic to say the least.

Mixing both some very epic opera-ish sounding music with some unmistakably-Konami synth sounds, this is definitely my #2 favorite from 4th Style. (My #1 of course being Absolute!)
