

E3 appears to be moving forward without the big 3, as a rumor this week has come up (that the ESA has now responded to) stating that Nintendo, Sony, and Microsoft will not be appearing at the show this year as it returns under ReedPop's supervision. However, could Microsoft be collaborating with someone else to put on a new kind of tech show in Los Angeles? We discuss the rumors and the facts and try to read what might be coming this summer in gaming. All this, much more news, our gaming weeks, and MORE, on another week of the longest running video game podcast, Orange Lounge Radio!

Also in the News:

- * Apex Legends Mobile to Close
- * Delistings of Games from Xbox 360 Marketplace
- * Theatrhythm Demo & Live Stream Announcements
- * PS5 Beta Adds Discord

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
