This week, we discuss some predictions for 2024. As the beginning of the year already faces some tough layoffs for the gaming industry, do we think there are positive things that can be born from the ashes of that? Or do we think there are certain historical things doomed to repeat itself? The answers may surprise you on our predictions for the year. We get into the facts of the gaming news as well on another week of the longest running podcast about video games, Orange Lounge Radio! Also in the News: * Capcom Controversial Software Targeting Mods * CES Teases from Sony * SAG-AFTRA has some Voice Actors Voicing Concern

* Yoshi-P Comments on Final Fantasy 17

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
