

The debate begins right at the top of our show tonight when we discuss the Ouya kickstarter, and the huge noise it's making all over the internet. Do we think the Ouya is setting people up for disappointment, or have we already made our backing to the kickstarter? You might be surprised at what host takes what position. Of course as always we turn to our live chatters and the skype line for other comments.

Also:

- * Amazon launches Game Connect
- * Ultima gets a new game
- * Phantasy Star 2 Online is coming stateside
- * Earth Defense Force has a new sequel announced

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
