

We live in a microtransaction world now in gaming culture-- but is it what the consumers REALLY want? Our listeners give some strong feedback in the Foogle question of the week segment, and our hosts chime in too at the top of the show. We also look forward to PAX East, and two companies plan to unveil new games at the show!

Also in the news:

* Retro City Rampage

* Diablo 3

* Gran Turismo 6

* Ouya shipping out
