

The internet is all a buzz about Don Mattricks move to Zynga, and we voice our thoughts on this big move as well, along with all of our live participants in the chatroom. Also, a pair of big hacks catch attention at Ubisoft and Club Nintendo Japan. Speaking of Nintendo, why won't they budge on that region locking?

Also in the news:

- \* Twitch.tv integration with Steam
- \* Windows 8 apps on Xbox One?
- \* Xbox One matching system to place trolls with trolls?
- \* DarkSakura reports on the Atari Party

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
