

There is a lot of great news for retro gaming fans this week, as an old classic, Earthbound, finally makes a comeback thanks to the Wii-U version. Nintendo adds a little something extra to the game, but Rob asks if it could have been done even better. Dark Sakura has a SQUEE over a new Strider game being announced after all these years. The whole crew in studio has a laugh over some possible hints of Seaman, and some of the memes it inspired, making a comeback.

Also in the news:

* Pokemon Rumble

* NCAA and EA

* Zelda Wii-U

* Sega 3D Classics
