

Our hosts kick off tonights show discussing the Video Game Awards, or excuse me, the #VGX. What were the highlights and lowlights? Why do we continue to care about these award shows? Our live chatters give some big insight. Then the discussion may turn to reminiscing about what nerds in their 30s like, but HEY that's just another week at Orange Lounge Radio. Of course there is gaming news as well including some recent password resets on Playstation Network that are causing a bit of alarm. EA, you might have some 'splanin to do!

Also in the news:

- * Tales from the Borderlands
- * The Xbox is not backwards compatable- you are being trolled
- * Gran Turismo 6 In-Game Transactions
- * Battlefield 4 fixes a priority

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
