

Our live audience is missing and it's a shorter show this week due to Rob's move into a new living space (and studio for OLR!). This doesn't stop the crew from getting together to talk about the week in gaming news (at least up until the time we recorded). These stories include a seemingly infinite delay for the game Drive Club. Also, we take questions from the listeners in one of our favorite segments- ASK ORANGE LOUNGE! Even when we can't be live, we still let our listeners have a voice :D

Also in the news:

- * Playstation Home to get Trophies
- * Concerns over Games with Gold addressed
- * Frog Fractions 2 Kickstarter
- * Could Flappy Bird Return?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
