

There was quite a bit of news out of Gamescom to discuss this week on both Sony and Microsoft fronts. However, nothing got us excited at studio OLR quite like the PT demo. Special guests Dan and Shane join us to talk about the PT demo and Hideo Kojima & Guillermo del Toro's take on a very famous franchise. Dan also happens to be joining us on the 25th anniversary of the Sega Genesis, and as a Sega fan, he might be trying to turn every single story on tonight's show into something about the Sega Genesis. :P

Also in the News:

* Sierra returns with new Kings Quest & Geometry Wars

* Plants vs Zombies Garden Warfare free trial

* Night Trap Kickstarter

* Shadow Realms

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
