Discussion of Download Content (DLC) takes a large part of our show tonight. From a different new way to experience DLC in Guitar Hero LIVE, to random card packs in Rise of the Tomb Raider, DLC is becoming more and more of a staple in our full priced games in a variety of ways. Metal Gear Solid V also has a way of implementing DLC, complete with their very own version of one of the DLC packs that started it all- Horse Armor! Our hosts and live participants talk about our thoughts on all these new ways to give game companies our money.

Also in the news:

- * Playstation 4 Price Dropped

- * Splatnet for Splatoon

- * Voice Actor Strike Authorized

- * No Retail Shovel Knight on Xbox One

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
