Tonight we celebrate 14 years of our show! We take a look back at our roots as a show, and have some fun references to the beginning days with our special return of our game Listless! There is plenty of gaming news to discuss as well on the show this week, even if our special guest Shane from RangerPRIDE keeps trying to derail it with Pokemon talk!

Also in the news:

* Sony Playstation 3 Linux Dispute

* Someone tried to steal the Zelda E3 demo

* Resident Evil 7 Quicktime events

* Next Yacht Club Game

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
