Playstation VR launched this week, and our hosts got to try it out even if only for a little bit. We invite our pal Shane onto the show this week, who has spent a little more time with the device to round out our first impressions. Rob is back from Las Vegas where he attended Final Fantasy XIV Fan Fest, and he has some opinions on the expansion that was announced and the festival itself.

Also in the news:

- * Rockstar hints at their next game
- * Friday The 13th gets Single Player component
- * Steam to expand PS4 controller support
- * Resident Evil 7 themed escape room

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
