The Nintendo Switch has arrived, and our hosts along with live chatters give some early impressions on the console including Breath of the Wild, the launch title that everyone is talking about. With Game Developers Conference having happened this week, there's plenty going on in the game industry even outside of this big console launch. This includes a new Netflix style system for playing games coming to the Xbox One!

Also in the news:

* Voez - A switch game requiring the touchscreen

* Twitch to sell games

* New Overwatch Characters

* Xbox Live Creators Program

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
