Loot boxes seem to be all the rage in gaming right now, with them showing up not only in mobile games we've played before, but in popular games like Overwatch and now recent releases like Shadow of War. How do we feel about Loot boxes, and who do we think is doing them right and maybe not so right? Of course, some people on the internet have taken some of the loot boxes into their own hands as one recent release has infinite loot boxes spawned. We cover this and the weeks news on another episode of the show where EVERY gamer has a voice - Orange Lounge Radio!

Also in the news:

* No more free Kinect Adaptors, for XBOX ONE X as well

* IGN acquires Humble Bundle

* Gen 3 Pokemon in Pokemon Go for Halloween?

* Fortnite lawsuit

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
