After some discussion on recent lifestyle changes, we jump into the gaming news which includes a big Nintendo Direct from this week where everyone is talking about the Super Smash Bros. reveal! Was anything else even announced? Ha, of course that's a joke, of course there was and we jump into some of the highlights from that as well. That's not the only company that had some game news this week, as we dive into more news covering games like Fortnite & Chrono Trigger!

Also in the news:

* Game Maker Studio 2 to publish to Nintendo Switch

* Crash Bandicoot going multi platform

* Far Cry 5 Map Editors

* Video Games - Are they really to blame for violence?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
