

E3 begins in just a week, and already we are starting to get a trickle of announcements, be they leaks that had to be confirmed, or pre-planned early information. One of the biggest and most talked about is the Pokemon universe information we got regarding new free to play Pokemon Quest as well as Let's Go Pikachu and Eevee as well as a teaser on Gen 8! Our hosts talk about how excited they are (or aren't) for the Let's Go series, and talk about other ideas for Pokemon's future as well. Our live participants in the chatroom also chime in with their thoughts and some predictions for the coming E3.

Also in the news:

- \* PUBG to take Fortnite to court in one country

- \* Xbox Support Staff layoffs

- \* Fallout: 76

- \* Assassin's Creed Odyssey

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
