Nintendo had a big Direct this week addressing their upcoming online service as well as a surprise announcement of a new Animal Crossing happening next year! We discuss the recent direct as well as jump into other gaming news from the week such as a new television show project for a video game from the Xbox 360! After missing a week expectedly and then unexpectedly, Rob gives us the lowdown on some of what he observed at DragonCon as well.

Also in the news:

* Forza Streming on Xbox helping with influence in game

* Pokemon Go players can add pokestops in some countries

* EA under investigation over loot boxes in Belgium

* Switch Streaming Games (Assassin's Creed) in Japan

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
