

There's excitement in the industry this week as the Tokyo Game Show has occurred bringing new announcements and game updates, but there is also sadness as two studios close suddenly, both Telltale and Capcom Vancouver. As we get into the gaming news, we talk about the recently announced Sony Playstation Classic, and if we think it will be worth the higher \$99 asking price.

Also in the news:

- \* DDR 20th Anniversary to bring new Announcement
- \* Playstation Vita to end production
- \* Switch Online NES Library is hacked
- \* YouTube to close YouTube Gaming

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
