E3 is underway! Microsoft kicked things off this weekend with an overview of the many games in store for the future of Xbox One and Windows PC. Was it enough to wow our hosts and listeners? We discuss this as well as the new hardware they teased with Project Scarlett. The E3 news and analysis certainly doesn't end there, however, tune in for this and MORE on the first of two E3 filled OLR episodes!

Also in the news:

- \* Google Stadia Announcements

- \* Bethesda Press Conference

- \* Pokemon Direct

- \* EA Play Wrapup

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
