E3 unveiled more announcements and games this week, so we dive into week two of our coverage featuring announcements from Nintendo! We've been excited about the new Animal Crossing game for some time, what did we think about what was unveiled? And how do we feel about the delay to 2020 for Animal Crossing? What other surprise "it's out today!" announcements got us excited as well? Nintendo wasn't the only company who gave us updated information as we also talk about Ubisoft, The PC Gaming Show and Square-Enix! It's another busy E3 week with LOTS of games to talk about live with our live chatters.

Also in the news:

* Amazon Layoffs during E3 week

* New Stranger Things AR Game

* California investigates Riot Games

* New Arcade 1UP Cabinets

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
