Nintendo is shutting down gaming soundtrack YouTube channels. Could this be in preparation for Nintendo's own music option? Or do we have some even bigger ideas on how Nintendo could present their rich music library to their fans? We discuss gaming soundtracks and much more on another week of Orange Lounge Radio.

Also in the news:

* Minecraft 4K Graphics Cancelled

* Need for Speed: Heat

* Nintendo Switch Sales

* THQ Nordic Updates

We will be on a brief live hiatus due to DragonCon, we will see you LIVE again at http://www.twitch.tv/VOGNetwork on September 8th!

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
