A court decision in France could mean that Steam would have to soon let you sell your used games. IF something like this rolled out on a more global scale, it could give our used games collection some value, but could it be damaging to the games industry? We talk about this big decision and what it might mean on tonight's show. Then we get into our gaming weeks during a big gaming week with big games like Link's Awakening, Untitled Goose Game, and Sayonara Wild Hearts all releasing. Our thoughts on these games, the weeks news and MORE on this weeks show.

* Pokemon Go kicks off Gen 5

* Sony now owns Sunset Overdrive

* Batman comes to Fortnite

* The Wizard 30th anniversary on Blu Ray

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
