A ban by Blizzard sent shockwaves thru the industry this week, we talk about what's happened, how we feel about it, and what might happen to Blizzard's legacy as a result. Our live listeners join us for discussion on this and more in the news including more information on the Playstation 5. It's not much information, but enough to know that we can actually call it the Playstation 5.

Also in the News:

* RPG that teaches Japanese

* Steam Multiplayer Games Online

* Atari VCS Yikes Issues

* Enchanted Portals and "inspiration"

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
