It's the start of the holiday season, and you would think the news would be slowing down, but it doesn't seem to in the video game world as Sony announces a new attachment for the PS4 Dualshock controller. Could this be a sign of things to come for the Playstation 5? Or something to allow more accessibility? We dive in the theories about this attachment due to arrive in 2020. Then we get into our gaming weeks and the rest of gaming news, all while enjoying some holiday latkes... and nuts.

Also in the news:

- * Borderlands 3 released on Stadia but...
- * Nintendo Switch bad clone console
- * Phantasy Star Online 2 Xbox One Beta Test
- * Stardew Valley on Teslas

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
