We are back to talk about some big news from our week off including Sony's announcement that they won't be attending E3 2020. What does this mean for Sony and for the ESA's biggest show? We discuss, and we also get into the news from this week including a variety of game delays for the coming months. March 2020 suddenly got a lot lighter, but does that mean some games should just wait for the next generation consoles altogether? We discuss.

Also in the news:

- * US Courts on Civil Rights in a video game
- * Possible new Game Subscription Service Coming
- * Real World Events Reflected in Plague Inc.
- * Nintendo Switch Joycon Pen Attachment?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
