The gang meets up to talk about the week (so far) in gaming news, including a post at the XBOX blog detailing more information about Xbox Series X and some interesting relations to the current Microsoft systems. We discuss other news from the week, including GOG's new refund policy, and Harmonix bringing out a new game called Fuser. We take some listener feedback via Twitter as well. Tune in for this and much more on the show where EVERY gamer has a voice, Orange Lounge Radio! Live shows return at <http://www.twitch.tv/VOGNetwork> on March 15th.
