We take some time at the top of the show to discuss the Black Lives Matter movement, and calls for Racial Justice & Equality across the nation, and the impacts that it has had on the industry. We talk about some of the ways the gaming industry is trying to help as well. Also, other gaming news is discussed as the upcoming week would have been the week of E3 in a pre-COVID-19 world.

Also in the news:

* EA debuting more games on Steam

* Sega Releasing Game Gear Micro

* SGDQ Goes Online

* Pac-Man Championship Edition De-make

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
