This is the week that E3 would have been held, except there was no E3 this year. Still, it's that time of summer for many gaming announcements including the big reveal of the Playstation 5 at their reveal event. What games did we see that we liked, and what do we think about the path that the PS5 is on? We discuss this and much more including PC Gaming news, and even more game announcements from the week. All this, our gaming weeks, and MORE on another episode of Orange Lounge Radio!

Also in the News:

- * Star Wars Squadrons Leaks
- * More Nintendo Accounts Breached
- * Warner Bros Interactive to be Sold?
- * Game Goes Live on Stadia for 30 min Accidentally

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
