

We had some big announcements from Devolver Digital and Ubisoft this week. Devolver went a very clever route with an interactive "E3" style first person adventure, which some of our hosts have explored and share their thoughts on this unique press conference. While Ubisoft introduced new titles in staple franchises, some serious issues have come to light causing high level executives to exit the company. We discuss this and more in gaming news on this weeks Orange Lounge Radio.

Also in the news:

- * Sony invests in Epic Games
- * New Bakugan from Wayforward
- * Rare Super Mario Cartridge Sale
- * Sega Mini Cabinet
