This week we had some exciting new game announcements from Microsoft as they showed off what's coming soon from Microsoft Studios and related partners. However, was this an ad to help sell Xbox Series X, or an ad for Microsoft Game Pass? We discuss this, and also tackle the question of what next gen gaming really is anymore. As games have almost hit the limit of what can be done graphically, what really marks a shift in a gaming generation? We tackle this big question and many more on this weeks show!

Also in the News:

- * G4 Television set to come back in 2021 in some form

- * Nintendo Direct Partner Showcase

- * Rocket League to be Free to Play

- * PS4 to allow Authenticator Apps

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
