The Gamestop Stonk news dominates news of the real world with the huge impact it's had on the stock market. Is this a story rooted in gaming culture? And what can we take from this issue that might have an effect on some of the things we read about with gaming companies? We discuss this news and so much more on another week of Orange Lounge Radio!

Also in the News:

* Issues at Amazon Game Studios

* The Medium Already Recovers Costs

* Konami NOT Shutting Down Games

* Valve Lawsuit Re: Steam Controller

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
