The big courtroom battle going on in the gaming industry has spilled secrets all around the industry. No wonder people like to settle out of court, as much of the testimony and exhibits have unveiled some secrets in the industry. Who did Epic try to pay to get their games on their store? How much did they pay for some of those exclusives? We got the details on all this and more this week. It's not all courtroom drama this week though, as Nintendo announced a new game that's coming out in just 5 weeks that has people excited! All this and much more on another week of the longest running video game podcast, Orange Lounge Radio!
