Niantic and Portkey Games will be shutting down Wizards Unite, an AR game in the Harry Potter Universe that was hoping to match the success of Pokemon Go. What could be blamed for the games failure? High licensing fees? Social Media Antics by Harry Potter's Author? The Pandemic? Some sort of combination of all of it? We discuss this, Rob has played a lot of GPS games and certainly has an opinion! We share our opinions, and yours, on much more gaming news as well on another week of the longest running gaming podcast on the internet, Orange Lounge Radio!

Also in the News:

- * Blizzard Exec Changes and Game Delays
- * Ubisoft Workers Unresponded to after 100+ Days
- * Take-Two Cancels High Budget Game
- * Forza Horizon 5 to add ASL

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
