

TikTok looks to be taking further steps to embed games within the platform. This comes after recent acquisitions for the parent company. What might be the long term vision for TikTok? Could this potentially include cloud gaming in the future? Why does social media try so hard to inject gaming into it anyway? We dive into all this and much more, including some reflections from DarkSakura on the recent California Extreme expo that took place over the weekend. All this and much more on another week of the longest running video game podcast, Orange Lounge Radio!

Also in the news:

- * Steam Store Artwork Rules
- * More Mario Kart DLC to Launch, Including New Original Course
- * Spacewar, a historic video game, heads to the Analogue Pocket
- * Gamers and Enhanced Brain Activity

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
