Could it be that at this years E3 we will see motion sensing responses to the Wii from both Microsoft AND Sony? It certainly sounds plausible to us, as we discuss the latest rumors with our live listeners. Other rumors abound too including a re-make of Perfect Dark and a brand new PSP! In part B of tonights show, we talk about an old favorite: Turtles in Time and the possibility of a new remake coming to current gen consoles. The new Batman game is delayed but we have some exciting news about Dead Rising 2 and Red Steel 2. Also, who wanted to remake an old Atari 2600 classic and why? PLUS: We have a copy of DDR Supernova 2 on the PS2 that is AUTOGRAPHED by smile.DK that we are giving away! Tune in for all the details! All this and more including your chatroom comments, phone calls, e-mails and more on the show where EVERY gamer has a voice: Orange Lounge Radio
