

So what about those rumors of an Xbox live channel? We know Conan wont be there, but does that necessairly mean the project is dead? We talk about it with our live chatters. Some DRM controversy breaks out and surprise-- its not about Ubisoft but a different company! The web is all abuzz about Marvel vs. Capcom rumors, meanwhile some big Wii titles are quietly pushed back. In Part B of the show, we tackle some updates on Dead Rising 2 and the announcement of Bionic Commando Rearmed 2. A new free MMO launches, and rumored game releases are plentiful. Our live listeners prove to be quiet this week on the phones, but pretty active in our live chatroom. All this and more including e-mails, twitter topics, and SO much more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
