Here it is, Part 2 of the marathon episode of Orange Lounge Radio taped LIVE earlier this week.

In this segment, the "main" part of the show is done, so the hosts venture into the vault for some memories about old games and how they all met. Extra news stories are covered, more classic games are unveiled, and most importantly- Dinner is ordered! We keep the show going with the help of our live chatters and more phone calls on the show where EVERY gamer has a voice- Orange Lounge Radio!
