DarkSakura welcomes her former teacher Steve to the program, who has created a game called [Flomm](#) for iOS devices. We talk about the inspirations that classic gaming as well as modern art have had on the development of this indie title, and how people from all backgrounds and experiences can create a game!

In the news tonight, Amiibo continues to dominate the headlines, as port strikes are blamed for the shortages of Amiibo as well as the New 3DS. The Gold Amiibo will indeed be exclusive to one retailer, but if you've missed a particular Amiibo, well there are always the Amiibo cards!

Also in the news:

- * Twitch Con

- * The return of Rock Band?

- * Reception to The Order and game length

- * The Last Guardian is not dead

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
