We are now living in the future according to a favorite 80s movie. This starts us off on a bit of a movie tangent in talking about the ability to watch movies and play games, but we get into the weeks gaming news which include Sony saying they have no first party vita games in development. Is this the end for the Vita? Or will we be able to capture some of what is keeping the Vita scene going in Japan? We discuss with our audience.

Also in the News:

- * SquareEnix to remake more old games

- * Rock Band 4 Amazon Reviews

- * Xbox Live usership vs console sales focus

- * Battle.Net Voice Chat

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
