E3 has begun! EA took to the stage hours before our live show this week, and we bring some thoughts on what we saw at their press conference. Were the sports games too much? Were we okay with the limited Mass Effect information? Tune in to hear our thoughts as well as those of our live particpants. Also, our show is interrupted by another press conference by Bethesda. We bring you fresh reactions and perspective on what they announced during our show this week.

Also in the news:

* Slim Xbox One Confirmed by xbox leak

* Final Fantasy XII to be remastered

* Lego Dimensions to expand with more icons of geek culture

* Agents of Mayhem Revealed

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
